**EXPECTED WINNERS PULL
THROUGH WEDNESDAY**

**In New England Tennis Championship
Tourney.**
Hartford, Conn., June 14.—The com-

petitioners in the tennis tournament at the school grounds. The new champion of the old championship today made up for the last time of yesterday and completed his matches in the second and third rounds. With a fine showing in the fourth round to be played tomorrow, there were no upsets in the play, the winners were all decided in a very handy. Champion F. H. Harris won both of his matches, that in the third round which was a very close one. H. H. Hartford without the loss of a single game. One of the best matches was this in which H. H. Hartford defeated S. Cushing was forced to three sets to defeat R. H. Cole of Hartford in the second round, while Jerry Weber of Yonkers was defeated by one more game in the finals, was forced by his utmost third round to dispose of H. H. Hyde, the Hartford high school star. The summary:

Second Round: W. L. Ferris, New Haven, defeated A. W. Merriam, Boston, 5-8, 6-1, 6-0. J. M. Holcombe, Jr., Hartford, won from Fred Fox, Stamford, by default. W. S. Cushing, Sims-

bury, defeated R. H. Cole, Hartford, 7-8, 6-4, 6-3. L. H. Wyley, Hartford, defeated W. Mca. Pollock, Trinity, 6-0, 6-0. Jerry Webber, Yale, defeated Paul Spelton, Hartford, 6-4, 7-5. H. H. Hyde, Hartford, defeated G. O. Tambllyn, 6-4, 6-1. S. G. Kelley, Yale,

defeated Chisholm Garland, Yale, 6-0, 3-6, 7-5. F. H. Harris, Brattleboro, Vt., defeated W. B. Allen, Hartford, 6-3, 6-1. F. W. Cole, Hartford, defeated Amos Wilder, Yale, 6-4, 3-5, 8-6. Peter Ball, Yale, defeated Philip Roberts, Hartford, 7-9, 6-4 and 6-0.

ing defeated J. M. Holcombe, Jr., 6-2.
6-3. S. W. Hopkins defeated L. H.
Wyley, 6-3, 6-4. Jerry Weber defeat-
ed H. H. Hyde, 4-6, 6-4, 6-1. R. S.

Stoddard defeated S. G. Kelley, 6-3.
5-7, 6-1. F. H. Harris defeated Walter Roberts, 8-0 and 6-0. F. W. Cole defeated H. H. Brown, Jr., 6-0, 6-2. Peter Ball defeated Arthur Collins, 6-1.

10-8.

**MERITS OF POUGHKEEPSIE
CREWS ARE UNCERTAIN**

Less Than a Week Remains Before the Big Regatta.

before the intercollegiate regatta to be rowed on the historic Highland course on Saturday, it is impossible to get any accurate idea of the relative merits of the Columbia, Cornell, Princeton and Yale crews.

and its of the Columbia, Cornell, Pennsylvania and Syracuse varsity eight which are to clash in the four mile struggle from Crum Elbow to Yellow Point.

Of the four, Syracuse is the only crew which has come through the preliminary season undefeated, and for this reason the eight from the Onondago is looked upon with greater favor.

than any one of the three others, despite the fact that both Columbia and Cornell have made rapid strides in the last few days and are fast approaching the top of their form. Pennepack

still as erratic as its early season record would tend to indicate, but the Quakers are not out of it by any means yet, because they have a crew that

This year will be the first since 1890 that no western crews have been in the regatta, and it is the first since 1890

that only four crews are scheduled to take part. It was found as the time drew near for the regatta that neither Washington nor Stanford would be able to come east and at the eleventh

Lohman Holds Lynn in Check.

Lynn, Mass., June 14.—Lohman pitching for Lowell today, held the Lynn hits scattered and the local team was defeated, 3 to 2. The score:

Batteries: Lohman and Kilhullen
Harri: gton and Harris.

SPORTING NOTES.

Lowell may have a new first base man on the job in a few days.

The rain caused 21 postponements.

on the Eastern League circuit last week.

Lowell and Worcester will play scheduled double header games.

The game postponed Sunday, New
London at Bridgeport, will be played

George Shears and John Schwartz, southpaw members of Le Peiper's team, have drawn red tickets

Danny Hoffman retired from the Bridgeport club because his legs, he says, can't stand the pace of baseball.

All this rain has helped New London a great deal. That is some com-

sume the salary burden, rain or shine, and besides for each week-day game they must shell over \$100 and \$200 for Sundays when rain interferes. "From the road," says Bob Paradis in the Lowell Courier-Citizen, "it would seem as fair for one as for another," but the element of chance is present so much it doesn't always work out that way. For example, it may rain a dozen days in one city and only half a dozen in another when games are scheduled, thus imposing a burden not always proportionate."

Output of Silica Exceeds \$1,000,000.
The silica (quartz) sold in 1915 for pottery, tile, glazes, paints, wood-filler, wood-pollish, abrasive soaps, fine filters and other uses, as reported to the U. S. Geological Survey, amounted to 245,349 short tons, valued at \$1,270,-835. This product was obtained from quartzite, hematite, chromite, sandstones, sand, tripoli, and di-

sandstones, sand, tripoli, and diaceous earth in Arizona, California, Connecticut, Illinois, Maine, Massachusetts, Michigan, Minnesota, Nevada, New Hampshire, New North Carolina, Oregon, Pennsylvania, Tennessee, Virginia, and Wisconsin.
